Day-1 checklist (do this on your first login)

1. Sign in as admin@balajiconvent.in with the password on the red card.
2. Profile menu (top-right) -> Change Password -> set a private password only you know.
3. Profile menu -> Change Admin PIN -> rotate 1234 to a private 4-digit PIN.
4. Sidebar -> Factory Reset -> Change PIN -> rotate 2580 to a private 4-digit PIN.
5. Administration -> Users -> + New User -> create one login per real staff member with the right role (cashier / accountant / manager). Do NOT let staff share logins.
6. Suspend the seeded demo Cashier / Accountant / Manager accounts once real users exist.
